GOVERNMENT OF INDIA
WATER RESOURCES
LOK SABHA

UNSTARRED QUESTION NO:2782
ANSWERED ON:03.09.2007
ARTIFICIAL RECHARGE TO GROUND WATER
Manoj Dr. K.S.

Will the Minister of WATER RESOURCES be pleased to state:

(a) whether as per the survey conducted by Central Ground Water Board (CGWB), Gabion Structure is found feasible for construction at Barsati Nala flowing through Khasra No. 1102 at Village Hinsla in Alwar District of Rajasthan under fresh water -2003 scheme;

(b) if so, the action taken by the agencies concerned at Central/State level during the past one year to construct said structure and the funds provided to the implementing agency;

(c) the directions issued by the Government to the Government of Rajasthan for providing proper facilities for the construction of said structures in view of acute scarcity of water in the region;

(d) whether any survey has been conducted to find out locations for artificial recharge to ground water/exploratory wells in Rajasthan particularly in Alwar District; and

(e) if so, the details thereof?

Answer

MINISTER OF THE STATE IN THE MINISTRY OF WATER RESOURCES (SHRI JAI PRAKASH NARAYAN YADAV)

(a) Yes, Sir.

(b) & (c) There is no approved scheme of the Ministry of Water Resources under which funds could be provided for such projects. No directions have also been issued to State Government of Rajasthan in respect of the project.

(d) & (e) In order to decipher the potentiality of the aquifers, the CGWB carried out ground water exploration programme in Alwar District.
